

# LINEAR 130

## FIRE PIT KIT

The Linear 130's three EcoSmart burners provide the longest flame in the Fire Pit Kit Series, creating a stunning statement fireplace indoors or out – in spacious residential or commercial premises as a divider, definer, or design element integrated within a benchtop or dining table.

Our new EcoSmart Fire Pit Kits come with everything you need to create a custom design and bring your vision to life. Choose from six different shapes and sizes and three fuel types to create a one of a kind fire pit that enhances your lifestyle, space, and ambiance.

#### Global Compliance

LP/NG Burners are UL/ULC Listed. Bioethanol Burner are UL Listed in accordance with ANSI/UL1370 in the USA, and comply with the ACCC Safety Mandate for Australia.

#### Clean Burning Flame

Unlike traditional wood fire pits, our fire pit kits produce no smoke, no soot, and no ash for an enjoyable experience without the mess.

#### Fire Screen

The toughened glass fire screen stabilises the flame in windy conditions.

#### Inset Metal Tray

All Fire Pit Kits feature an inset metal tray to house the compatible burner, included decorative media and glass fire screen.

#### Triple Fuel Advantage

Choose between plumbed natural gas, readily available propane, or our eco-friendly bioethanol fuel system. We make it easy for you to achieve exactly what you want, for exactly where you want it.

#### Included Accessories

Black Glass Charcoal

Fire Screen

Jerry Can (Ethanol Only)

Lighting Rod + Lighter (Ethanol Only)

XL Baffles (Ethanol Only)

# Linear 130
