

The VRT3200 Series radiant vent-free firebox presents a fresh yet traditional tall opening and low to the floor masonry fireplace design. The fireplace's refractory brick panels are molded from actual hand-cut firebrick in a traditional stacked or herringbone pattern. Combine with a variety of vent-free gas logs for a beautiful full size fireplace with a traditional masonry appearance.

## FEATURES

- 🔥 Available in 32", 36" and 42" models.
- 🔥 28" tall and full width refractory opening on all models
- 🔥 Low to the floor masonry design for a cleaner, more traditional look.
- 🔥 Realistic refractory brick liner available in stacked or herringbone pattern.
- 🔥 Mesh draw screens for a more realistic appearance.
- 🔥 Radiant smooth-faced design with durable black powder-coat finish.
- 🔥 Includes required heat deflection hood.
- 🔥 Select from a variety of compatible vent-free log sets and controls (sold separately)
- 🔥 Optional outside air kit available.
- 🔥 20 year limited warranty.

### IMPORTANT NOTES:

As with any fireplace, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, ceiling height, accessories chosen and appliance location.

Diagrams, illustrations and photographs are not to scale — consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
